UKI officials, after further investigation, may impose sanctions including suspension or expulsion from future events.

The following is a partial list of infractions on which the judge or trial officials will take action: Abuse of a dog on the grounds; actions that may have the appearance of abuse of a dog; wilful misconduct or interference with a competitor's right to show; any acts of poor sportsmanship; violation of procedural rules; compulsive, correctional training on the grounds; wilful misrepresentation on entry forms; wilful misrepresentation of animals; dog aggression; failure to exercise diligence in the control of the behavior of their dog including a dog clearly not under the control of the handler; concerns for the welfare of a dog or who is unfit for competing; intimidation and/or impolite confrontation of judges, event officials, event helpers, or other competitors; creating excessive delays as a failure to respect the authority of event officials.

### **Social Media Conduct**

Cyber bullying of any kind towards UKI, trial management & staff, competitors, judges, helpers or volunteers will not be tolerated. Examples of cyber bullying include but are not limited to, communications that seek to intimidate, manipulate, falsely discredit, put down, try to control, rudely confront, demand, and comments that try to incite further issues. Further, UKI is committed to

maintaining an environment that is built on mutual respect and is free from racism, discrimination and harassment. In keeping with this goal, any behavior that is hateful towards race, color, religion, creed, national origin or ancestry, ethnicity, sex, and gender will not be tolerated. If a refund is requested, a 5% administration fee for a credit card refund will be assessed, per transaction. After the closing date, a partial entry may be available for extraordinary circumstances, but this lies with the individual show management based on their own policies. Contact the show management for details, NOT UKI.

### **Payment of Entry fees**

Payment of online entry fees and Instant Account Top up Fees (administration fee for online account payments) must be made directly to the UKI member account or directly to the trial before a competitor may compete. PLEASE BE AWARE – at the closing date of entries, if you are paying by check, your account balance under “My Account” will show as \$0.00 USD. A note will confirm that you are paying the trial directly. This enables you to enter and pay for other trials online. If you have a \$0.00 USD zero balance display on your UKI Home page, it does not constitute a cancelled entry. Only you are responsible to cancel your entry online by going back into the show you entered and clicking CANCEL MY ENTIRE ENTRY. UKI will not cancel any entries. If in doubt, you must check your entries from the My Entries link as well as reviewing your account transactions. If you have not cancelled your entry as above before the closing date, you are still responsible to pay the entry fee.

Additional administration charges may be imposed to a member’s account due to negligence that result in administration time to correct. Possible infractions, not limited to, are submitting incorrect trial entry information, including incorrect handler and dog number, creating duplicate membership or dog accounts and late payment fees.

### **Media & Sponsor Rights Release**

Through the entry into this event, all competitors grant to UKI and its affiliated companies, representatives, agents and assigns, all rights and permission to use or appropriate his/her and their dog’s name, biography, likeness, photograph, voice, performing persona, or other indicia of identity for broadcast, telecast, cablecast, transmission or distribution in any format or media known now or in the future. Further, I hereby release UKI and its affiliates, representatives, agents and assigns from any claim or cause of action for invasion of the rights of privacy, right of publicity, right of personality, or any similar right. Sponsors of UKI events may email entrants with their product and or service information. If a competitor does not wish to receive emails from these sponsors, they must email the show management before the close of the trial entry date to declare this, ensuring they receive a receipt email that this information has been received by the trial management.

### **Bitches in season will be allowed to compete within the following parameters:**

May run at this trial. To be able to run a BIS, you must immediately tell the trial secretary, who will mark BIS on the running orders. If the dog is not wearing BIS pants, they will start on a mat provided by the show. It is the handler's responsibility to ensure the mat is available for their runs. The handler/owner acknowledges the inherent risk of running a dog on an agility course with BIS pants on and assumes all risk by doing so, and the potential risks with slips from starting from a mat. **Any BIS will run at the end of the class, regardless of height.**

## Masters Series Tournament Rules

The aim of Masters is to encourage more competitive running in UKI classes and improve the overall standard of top level agility. The Masters has been created for dogs and competitors whose goal is to compete at both National and International level.

### General Rules

Open to all UKI level dogs including Select heights. Separate competition for each height. Agility and Jumping rounds with results combined. Handlers must run in strict running orders, failure to do so will result in elimination. Either Agility or Jumping classes may run first. If a handler has 2 dogs entered within a jump height, they may move their first dog up so that there are as many dogs as possible between their dogs. If this is not possible, they will receive a 6-minute break. If a handler has more than 2 dogs within a jump height and the entry is not large enough for a sufficient gap in between all their dogs, the first of their dogs drawn will be allowed to run in between a jump height change, if a jump height change is available before their height. If it is not, the final decision will be made by the judge and show manager, taking into consideration fairness to the competitor and other entrants in the Masters Class. Day of Entries must run first within the running orders of the first class. The second class must run in reverse order of placing from first class. The dog must run in the height that he will compete at in the Masters Final. The same dog and handler must run both rounds. Only the handler who qualifies the dog through a Masters Heat, may run the dog in the US Open Masters Final. Any extraordinary circumstances to be ruled by UKI.

### Scoring

Standard UK Agility Marking will apply. Faults converted into seconds. 5 faults = 5 seconds. Time faults treated the same as course faults. An elimination = 100 faults plus 60 second course time. An absent or NFC run = 1000 faults with a 60 second course time. Dogs with an absent or NFC run in either the Agility or Jumping will forfeit any Q's or awards gained in the other round; in other words, both rounds must be run for competition. Dogs with double elimination will not be placed. An E in the individual round will not be placed in that round. Dogs with the lowest score will be deemed the winner. In the event of a tie, the Agility result will be the deciding factor, followed by the jumping result. If a tie still remains, a runoff will be required. If there is a tie for the Individual class wins, a runoff will be required on that course to determine the winner and subsequent placings.

Final Qualification: 2 ways to qualify for the Final to be held at the UKI US Open:

A. Individual Winners (per height) of the Masters Agility or Masters Jumping class (even if an E is earned in the other round).	B. 1st & 2nd Overall (per height) (even if an E is earned in one of the rounds).
---	--

### Prizes:

Of the Prize entry fee, \$5.00 is placed in heat prize fund. Each height has its own prize fund and will be divided as per Masters "Prize Money Guide". Prize fund is for overall winners only. \$1 from each entry fee will be split & placed in the Final prize fund and Team USA WAO fund. In the event there is not a monetary winner within a height, the prize money will be sent to UKI to go towards the Final prize fund.
