Any runs that are entered in these trials at closing and pulled before the waiting list deadline will be replaced, if possible, by runs in order on the waiting list, and the exhibitor will be reimbursed in full. If a run is pulled but cannot be replaced, the exhibitor will not receive a refund and the dog will be considered absent for the run. Entry fees for runs on the waiting list that do not get into the trial by the waiting list closing date will be refunded in full.

Move-ups may be sent by regular mail or email to the Trial Secretary. If an email address is provided with your entry, an email confirmation of the move-up will be sent.

For the Saturday and Sunday trials: MOVE-UPS close 30 minutes after the end of the trial on Friday and Saturday, respectively and must be submitted at the trial.

Change of Entry

As described in Chapter 1, Section 21 of the Regulations for Agility Trials, a dog which is entered in a Novice A class for which it is not eligible may be moved to Novice B. In addition, after the close of entries a dog may be moved down in their class level (ie Master to Excellent). The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or the trial secretary at least 30 minutes prior to the start of the trial.

After the close of entries, a dog may be moved down in their class level (ie Master to Excellent). The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or the trial secretary at least 30 minutes prior to the start of the trial.

If a VMO or Field Representative measures a dog into a height other than what they entered, the entry may be changed from Regular to Preferred or from Preferred to Regular, as long as the dog has not run in any classes that day. If the dog has already run, the change may be made for the next trial day(s). The exhibitor must provide the Trial Secretary the AKC Agility Measurement form when requesting the class change.

Obstacles

Obstacles will conform to the requirements in the current edition of the AKC Regulations for Agility Trials. Contacts are rubberized.

Dogs Eligible to Enter

These trials are open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registrations, or Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number or are approved Foundation Stock Service (FSS) breeds. Dogs with a PAL/ILP number or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Dogs should be physically sound. Dogs that are blind, bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog’s physical or mental performance are not eligible to compete. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Rules Applying to Registration and Discipline for the listing of registerable breeds that may participate. Wherever the word “dog” is used in these regulations, it includes both sexes.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Notice to Exhibitors

- The safety of the dogs is our primary concern. By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all obstacles safely.

- It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made.
- There will be no seating for spectators in the main building. Only dogs lined up to run may be near the entry/exit.

Fix and Go On (FNG)

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Entering For Exhibition Only (FEO)

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered at any level (Novice, Open Excellent or Masters) in FAST, JWW, Standard or Premier classes. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.
- Course time for FEO in Time 2 Beat, JWW, Standard, Premier and ISC will be 45 seconds. FAST courses times for each class/height are as noted in the Regulations.
